Benefiting those in poverty in your community.

A Meaningful Cause

A powerful, volunteer-driven organization, MUST Ministries addresses the basic needs of individuals, families and children with facilities in Cobb and Cherokee counties and programs in six other counties.

MUST has been serving our neighbors in need for more than 45 years. We provide the basic needs of life to area residents who are struggling: food, housing, employment services and clothing.

Please join us for a fun-filled day of golf as we raise funds to help your neighbors in need.

A Beautiful Setting

The championship par 72 course at Woodmont Golf and Country Club is beautiful, challenging and great fun. The first course designed by renowned golf course architect Robert Trent Jones, Jr., the first class conditions and memorable setting in rolling hills provide plays from 5200-7200 yards. The front nine at Woodmont offers longer, more difficult shots with fairly open fairways while the back nine is distinguished by three of the best finishing holes anywhere.
