Dear Ms. Hendrickson,

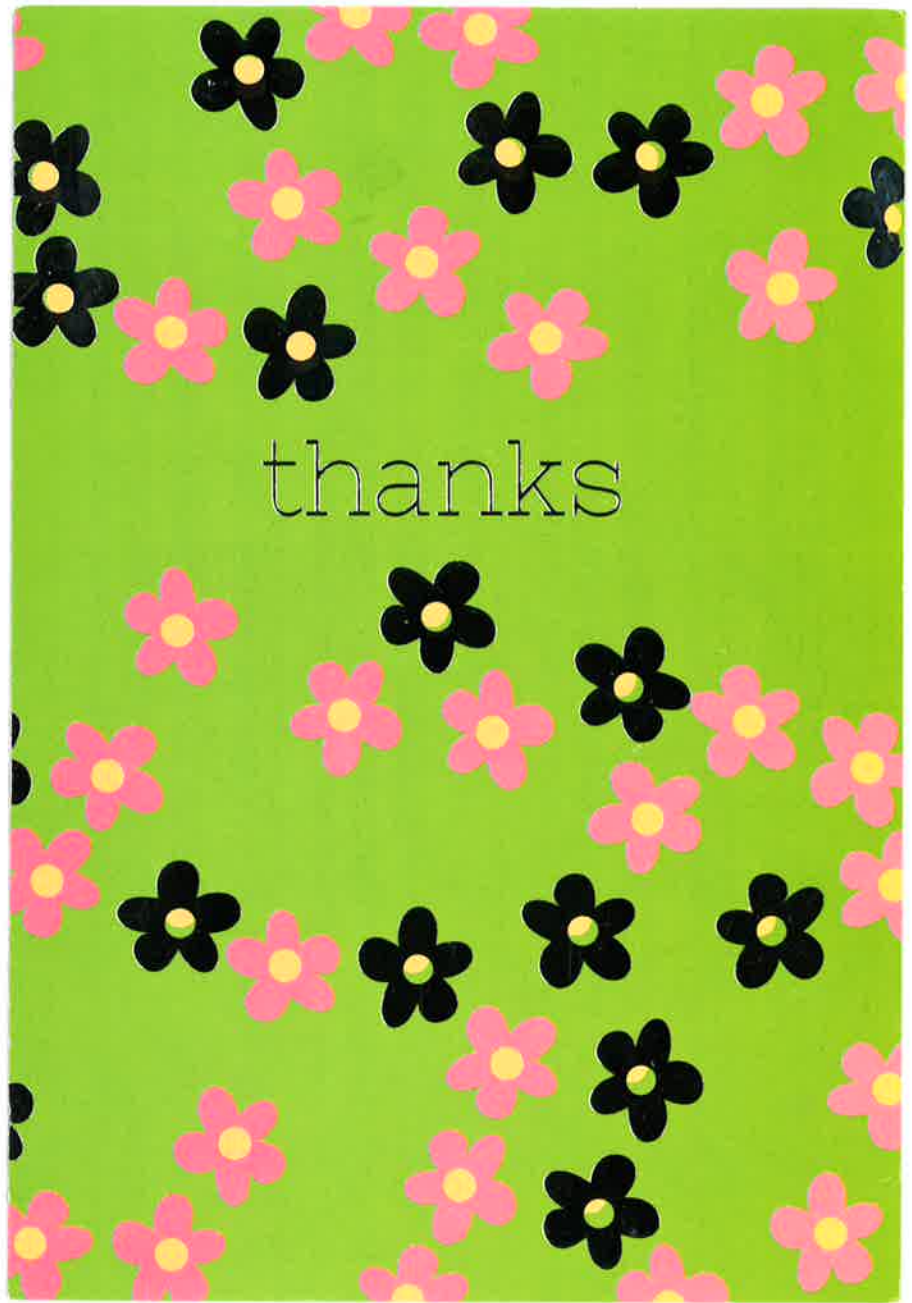

For GCPS Transportation, this is a very busy time of the year. The DOE meeting kicks off the pre-planning week and sets the tone for the new school year. We would like to thank you and the Rotary Club for the continued support we receive for our bus drivers, mechanics and other GCPS CDL holders. These are the folks that keep the wheels turning, delivering our precious cargo safely to school and home again. They very much appreciate the significance of the Rotary providing lunch after the meeting.

On behalf of the entire GCPS Transportation Department, please extend our gratitude to the Rotary Club of Gwinnett County for their involvement and encouragement.

Gratefully,

Don Moore  
Director of Transportation
