

What is Rotary?

Rotary International is a global network of 1.2 million neighbors, friends, leaders, and problem-solvers who come together to make positive, lasting change in communities at home and abroad.

Rotary members believe that we have a shared responsibility to take action on our world's most persistent issues. Our 35,000+ clubs work together to

- Promote peace
- Fight disease
- Provide clean water, sanitation, and hygiene
- Save mothers and children
- Support education
- Grow local economies

Who Benefits Locally from Rotary?

Rotary Clubs of Savannah – South, East & West contribute to many local groups that are making a tangible difference in our community! Supporting the tournament helps do good in our community through programs like these:

- **Savannah Early Childhood Foundation** – breaking the cycle of poverty by empowering parents and children
- **Dictionary Project** – distributing dictionaries to local third graders in Savannah-Chatham County Public Schools
- **Live Oak Public Libraries** – Summer reading programs
- **Georgia Rotary Student Program** – a scholarship program for international students to attend college in Savannah
- **Leadership programs** for local high school students

About Savannah Early Childhood Foundation

Savannah Early Childhood Foundation (SECF), part of Early Learning College at Parent University, promotes parenting skills and literacy in low-income Savannah communities.

In 2013, 150 parents attended Early Learning College at Parent University (ELC). Today, over 600 parents actively participate in ELC sessions and are molding the minds of tomorrow's leaders!

Through SECF, we hope to break the cycle of generational poverty in Savannah. Join our endeavor to shape future generations! Learn more at SavannahECF.org.
