Newsletter of the  
Stuart Sunrise Rotary Club, Florida

Stuart-Sunrise Rotary Club  
Minutes of September 10, 2009 meeting

50-50: Jack Langhorne  
Pledge: Gene Van Curen  
Prayer: Ed Vossen

President Rocco called the meeting to order at 7:250 AM. (?) He blamed it on his cell phone!

For entertainment this evening while pecking away I choose to listen to cuts from a new album that is being released November 17<sup>th</sup>. I have read a couple of early reviews and it looks like this is going to be another best seller for Nora. <http://www.norahjones.com/>

To hear some of her music:

Keith Charlton: mentioned the Club Corp. Classic was fast approaching and the need for silent auction items and foursomes. See John Gonzalez with regard to items needed. Keith mentioned that he will be away before the event and he asked that everyone put in a concerted effort so that we maximize the monies that will be coming back to our club. Aside from the Hole-In-One Subaru provided by Ed Vossen, a golf cart, Harley-Davidson and a fly in golf outing to possibly Richard Kjellstrom's club.

### Other Club Activities:

September 12<sup>th</sup>: Smokey the Bear's 65th Birthday event between 2-4 PM. This takes place at the Indiantown Library.

September 17<sup>th</sup>: District Governor Leo Phillips will be in attendance.

September 19<sup>th</sup>: Beach Cleanup

November 5<sup>th</sup>: Three Redneck tenors at the LYRIC. Tickets are \$35 with \$15 going to the club. Make check payable to Stuart-Sunrise Rotary Club.

John Gonzalez: John took over Sergeant-at-arms duty today as Diane Scott overslept and did not have time to adjust her coiffure. Is this what she was trying to do in a hurry? John did an excellent job and could he be next years S-A-A? John greeted our guests and visiting Rotarians.

Gene Van Curen: introduced our guest speakers, Jack Valerio and Cory Carter. Jack is the Assistant Principal of Martin County High School, home of the Tigers, and Cory is a member of the Guidance Department.

Jack and Cory explained the program: PBS. (No-not public broadcasting corp.) It stands for Positive Behavior Support.

The aim of PBS is to build a school environment in which students learn that exhibiting positive behavior is more advantageous than exhibiting problem behavior.

**TIGERS** believe in.....

- Making Responsible Choices
- Coming Prepared
- Having Respect
- Staying Safe

50-50 winner for today was Harry Pelton, visiting from the noon club. Rumor has it that Harry may be transferring to our club. Well, too bad Harry- you did not pick

the winning card. Your share would have been \$246.00 However the  was not the Ace of Spades, so the pot continues to grow.

See you next week!
