President Jamie Chapogas: opened the meeting at 7:30AM. President Jamie welcomed back Steve Dillemath who looks fantastic. I'm going to have to ride harder each morning to stay ahead of him. Also mentioned that due to the clubs participation in many Palm City Chamber events, we are going to be the host for the monthly meeting the last Wednesday of the month. John Gonzalez will pontificate about Rotary International to the over 100 guests that regularly attend these monthly meetings. Rotarian's are asked to come to the meeting on Wednesday the 27th. Call the Palm City Chamber at 772-286-8121 and make your reservation.

President Jamie also mentioned that Commissioner Ciampi sent a thank you note as well as Patrick Slattery of the House of Hope for our clubs donation of food and money. Thanks were received by recipients of the dictionaries. Pres. Jamie told a cute story about a 4th grader telling a 3rd grader that the best day was when the dictionaries were distributed. Another was about one asking about the word "fairy", mother told her to look up, then asked about word "imagination" after looking that up said to mother I guess that means the tooth fairy in not so real after all. (Or words to that effect)

Jim Murdock: mentioned that the Family Service is planning an event with the help of Audry Ballantyne. On October 28th members are invited to attend a night with the band "Solid Gold" Website: <http://www.solidgoldmusic.com> 7:00PM at the Clarion Inn on US 1. <http://www.clarionhotel.com/hotel-stuart-florida-FL423?promo=gglocal>

Tom Whittington: reminded everyone that the island cleanup is this Saturday. The boat will be leaving the dock at Finz in Port Salerno at 9:00AM and you will return to the dock around 12:00 Noon.

John Gonzalez: assumed his sergeant-at-arms duty and levied sad, happy, sports dollars. Chris Moreno spoke about the Hobe Sound clubs project, Baby Otter Swim Program. Teaching infants to float and avoid becoming another horrible statistic. Link to program: <http://www.babyotterswimschool.com/index.php>
