Rotary clubs do not make communities - Rotary clubs make communities better.

President Sue: opened the meeting at 7:30AM

50-50: Jack Langhorn

Pledge: Jack Langhorn

Prayer: Doyle Richardson

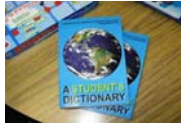

President Sue's mystery Rotarian today played basketball in the old Celtic Garden. Lost my notes on other outstanding achievements as a young man. The mystery guest was Rusty Brink.

Jake Hicks: This month is Vocational Service month. This promotes business integrity and professional development. Link:

President Sue: asked Beth Davis and Keith Charlton to give an update on recent Club Corp Golf Tournament. Preliminary money raised is approximately \$14,000 with 104 players. Last year the player count was 68. Great job by the committee. This sets a high goal for next year.

Vic Simonson: announced that the dictionary's ready to be picked up today. Distribution will be next week.

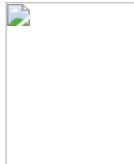

The next scheduled clean up is October 15th, 8:00AM at TD Bank on Mapp Road.

Jim Murdock: Community Outreach Program. Past Rotarian's, guest speakers, Inter-Act participants will be contacted.

Bob Goldberg: Sergeant-at-arms, collected happy, sad, and sports dollars. Bob had a family outing up North last week. and could not participate in CCC event. Hopefully the family affair will not conflict next year. Ellen Peitz mentioned that the 4C's tournament will be held at Monarch and tickets are \$125.00 per player. Contact Beth Davis for details.

Judy Swan: can be contacted at [www.swanphotography.net](http://www.swanphotography.net) should you like to view the pictures taken at the Club Corp Tournament. Judy only asks for a donation to Rotary if anyone wants copies of the pictures. Ed Vossen and Judy Swan were thanked for their participation and support of the outing. Maybe next year someone will win the hole in one car!

Guest Speaker: Steve Dudenhofer from The Guatemalan Tomorrow Fund was our speaker today. Our club supports their efforts in Guatemala especially the Ak'Tenamit project.

Ak'Tenamit is an indigenous community development organization that promotes long-term solutions to poverty in the rain forests of Eastern Guatemala through education, health, income-generation, and cultural programs run by and for Q'eqchi Maya Indians. More detailed information can be found at:
