Rhonda Werner-Schultz.

None other than our soon to be past member

Speaking of Rhonda, Beth Davis and Mark Boyden were toast masters of the semi roast of Rhonda. We found out after due diligence by Beth and Mark that the three most important items in a Wisconsin residents supply bag are BEER, BRAT and

CHEESE. Some notable people born in Wisconsin were: Liberator, Spencer Tracy, Orson Wells, Gene Wilder, Frank Lloyd Wright, Harry Houdini. WI is home of Harley-Davidson. The state bird is the robin but some might say it is the mosquito, known as the Badger State, has 18,000 dairy farms.

Rhonda and John's goal is to purchase 50 acres of land. Raise goats. They have rented a home on 5 acres on a lake. A lake is where Rhonda learned to swim so she hopes to provide a start for Madeline. Oh by the way, Madeline is the cause of John growing up.

Rhonda already has a website for her practice in WI:

Everyone wishes Rhonda and John the best of luck and happiness in WI.
