### Come Fly with me.....

Our speaker today was Alex Behringer of Fairwinds Air Charter. Alex came to this area in 1995 and has been associated with Fairwinds for the past 14 years.

Fairwinds is one of the major sponsors of our "Be a tourist in Stuart" event and will provide an evening air tour for six guests to our lucky winner.

The company has a fleet of 31 planes ranging from ranging from small 7 passenger turboprops to Gulfstream jets that can fly to Europe without refueling. The firm employs 80 people and has offices in Miami, Naples, Tampa, Los Angeles and New York in addition to Witham Field.

Alex pointed out that the firm provides a way for executives to maximize their travel schedules and save time as the Fairwinds planes can fly to smaller airports closer to client meetings. Many clients bring their key executives with them and hold strategy sessions while flying. Wireless Internet Service is provided on the planes as well as the ability to hold Skype conferences while in flight.

The firms VIP lists include paude past US Presidents, present national and international government officials as well as corporate clients. Check out the website at [www.flyfairwinds.com](http://www.flyfairwinds.com).

Alex and his wife and four children live in Palm City.

Next Week's speaker is Vickie Davis, Supervisor of Elections.
