Leadership

Greg Gorman of the Gorman Leadership Group spoke about the 21 Refutable Laws of Leadership. He represents the Dr. John Maxwell Team as a coach, teacher and speaker and works with groups all over the Florida. He and his wife Julie recently moved to Hobe Sound.

He spoke of kids mirroring their parents behavior. He urged us to examine our lives and live by design, not by default. Work to leave a legacy of leadership in your family, business and community.

Identify your blind spots. Recognize your strengths and weaknesses and work at improving your leadership with your new insights.

His organization is sponsoring a simulcast on the 18th of November at the Carroll Center at the Hobe Sound Bible College. Entitled "L2 - Lead and Learn", it coincides with a new book being released by Dr. Maxwell and features several national thought leaders. Tickets are available from Greg at greggorman@johnmaxwellgroup.com.

50-50 was sold by Jim Horstman and won by Kathy Lockhart!
