Happy and Sad

Collections expert Dave Seyffart joined Humorist Dave G for another successful round of bucks for the club. (Two jumper cables walked into a bar...)

Ellen had a great time in Ireland. (Even found a bar called Dawsons!) Happy bucks included welcome bucks for PDG Art Hodges, A great wedding in NC for Paul and Brenda's daughter, Rock sold his townhouse in NJ, Rex was happy for a trip to NY to see his grandkids and another trip to the cabin in NC; and Chocolate Chip pancakes for breakfast! Tom went off to sell a boat (Sue Covered his fine) and Kathy had a "3 more weeks" dollar.

Rotary Leadership Institute

Past District Governor Arthur Hodges introduced our members to this statewide training program. Several of our members have taken these Saturday sessions and gained new insights from them..

RLI is a great place for newly inducted Rotarians to quickly learn about the "Object of Rotary".

Club Officers can build on their Rotary Knowledge to enhance their club experience.

Club Presidents can expand on the skills gained at their President Elect Training Seminar.

Long time Rotarians can re-ignite the old Rotary flame, and at the same time share their experiences with the other participants.

It is a wonderful way to meet fellow Rotarians throughout the state, share ideas and get an appreciation for all the great things Rotary is doing! More information is available from Arthur at bigavol@bellsouth.net and 772-643-6343.

50-50

Dave Shoaf sold the tickets and Jack Langhorne won!
