WHAT IS ROTARY?

The slogan "service above self" says it all. As the world's first community service club organization, Rotary focuses on what it takes to change our world.

This year the Boynton Beach/Lantana Rotary Club celebrated its 78th anniversary. The Club raises funds to provide college scholarships to deserving area high school students. We also contribute to the literacy program of the Palm Beach County public schools by distributing books and dictionaries to local school children. We support the Boynton Beach Schoolhouse Children's Museum as well as the Boynton Beach Library literacy programs. In the past we have hosted foreign high school students under the Rotary Youth Exchange Program.

The members of our Rotary Club pride themselves on living up to the Four Way test

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better friendships?
4. Will it be beneficial to all concerned?

as well as our motto, "Service above self." Thank you for your support of our club.
