

Larry Kubiak – DG 2021-2022 The Governor's Visit

A core responsibility of your district governor is to visit all clubs in the district, either individually or in groups. The purpose of the visit is to provide support and give an update of district goals. Rotary clubs are required to receive these visits. This personal visit is an opportunity for clubs to communicate goals, achievements, and concerns.

Larry will be pleased to participate in important club events such as:

- Induction ceremony
- New member orientation program
- Award presentation
- Rotary Foundation event

Strive for maximum participation by publicizing the visit in club communications and asking members for input.

To prepare for the visit:

- Review your club's progress toward the goals established in [Rotary.org/club central](https://www.rotary.org/club-central), so that you can discuss it during the visit.
- Arrange reports of committee plans, activities and accomplishments.
