

## MULTIPLE PAUL HARRIS FELLOW

### RECOGNITION PRESENTATION REMARKS

#### **A Note to Presenters**

*The trustees encourage each club president/district leader to make a brief presentation at a meeting or event. Beyond thanking multiple Paul Harris Fellows, this public recognition inspires others to support the Foundation. Please confer first with recipients to make sure they are comfortable with a public presentation. Recognition items include a pin with a stone, either a sapphire or ruby, indicating the total level of donors' contributions.*

#### **Suggested Remarks**

Paul Harris Fellow recognition has been decorating our Rotary Foundation's passionate supporters for many years. It is a proud tradition that honors the memory of our founder Past RI President Paul Harris. I believe that he would be deeply moved to see all that Rotarians and friends of our Foundation have done and continue to do in the name of his beloved organization.

In order to be honored as a Paul Harris Fellow, someone must contribute sums of at least US\$1,000 to our Foundation's Annual Fund, Polio Plus, or approved Foundation grant. These funds can be used to honor others while being applied to the amazing work that has distinguished our Rotary Foundation as an organization that provides hope, health, and peace around the world.

Becoming a Paul Harris Fellow is a tremendous accomplishment and honor multiplying that generosity, multiplies the community impact made with these contributions. So much good begins with these gifts: wells are constructed, children are vaccinated against illness, senior citizens are afforded meals and services, children and adults are educated and given professional opportunities. This work is vital to the children, families, and communities who benefit. Only when people's basic needs are met, can they pursue the larger elements of human life including conflict resolution, community building, and peace. Paul Harris Fellows, in a very tangible way, provide stepping stones to a more harmonious world.
