

District Governor's Citation

Requirements for RY 2015/16

1. The club pairings for the interclub visitations are shown below. Each club will visit the assigned club once during the Rotary year. The visiting club should be the host club's program for that day. The visiting club can provide audio/visual aids to tell about the history of that club, what great projects it has done in the past, what projects on which it currently is working, and where outside help from the host club might be needed. The two visits can be captured in pictures, mounted on poster board with accompanying commentary, and displayed in a special section of our meeting rooms at the district conference.

2. Sponsor a high school sophomore for the 2016 RYLA at Adventures Unlimited in Milton, FL.

3. Make a minimum \$100 club contribution to our Rotary Youth Camp. The RYC camp recently moved to Camp Wallwood outside Quincy, FL. A minimum of two club members are to attend at least one session of the RYC when it is in session. The camp runs in July, so plans should start being made now. The members in attendance could do a program for their own club on the event.

4. Register for the 2016 District Conference at Panama City Beach by March 1, 2016.
