If you are not a golfer or do not know any players that may want to participate and still wish to donate to our worthy projects, our Foundation would greatly appreciate your donation and support.

All net proceeds, (after expenses), will go to support Cantonment Rotary Service Projects in the Greater Pensacola area, as well as national, and international needs. A partial listing of projects supported may be found below

The Man We Honor

Ted Ciano (The Dean of Car City) was a noted philanthropist and strong supporter of our Military Community and of the First Responders and Law Enforcement. He was justifiably proud of being named an Honorary Sheriff for his work in support of that community. He was active in his support of the Rotary family and was a member of multiple clubs in the area.

Local Projects during the last 10 years include:

- Rotary Against Hunger - Supporting a Greater Pensacola Area project in preparing about 80,000 meals to augment Manna Food Bank
- Pensacola Children's Chorus
- Roy Hyatt Environmental Center
- Tate High School Chorus
- Tate High School Interact Club
- Loaves and Fishes
- Honor Flights for WWII Veterans
- Independence Fund for disabled veterans
- Relay for Life – American Cancer Society
- Covenant House
- Miracle League
- Give-A-Book Foundation – for books for children of deployed local military personnel
- Council on Aging – provided new van for our 60th Anniversary Project
- Hurricane Relief – for books to help replenish school libraries along Gulf Coast in FL, MS and LA
- Pensacola State College – Endowed Scholarships (at least 8 awarded each year)
- Support UWF Athletic Programs.
- Ronald McDonald House - partnered with R.C. Lipscomb Elementary School to generate supporting funds.
- Ronald McDonald House - partnered with R.C. Lipscomb Elementary School to generate supporting funds.
- International Projects through Rotary International Matching Grants either as the principal sponsor or as a partner with another U.S. or International Rotary Club who was the principal sponsor, include over a dozen different projects in Belize, Costa Rica, Honduras, El Salvador, and Haiti Earthquake relief.
