### **1. Meeting called to order at 12:55 pm**

**2. Minutes:** No minutes available.

**3.** Club members attending proposed that we work on vetting new members and introducing them to the club similar to how we had done in the past. Suggestions were to expand on their background in the ballot as well as have their sponsors give a brief introduction of the new members when we induct them. We also talked about other activities that we could have potential new members participate in such as attending a board meeting

**4.** We discussed have a Club Photo Day/Fellowship Week the meeting before Memorial Day. Joshua Garner will take the photos.

**5.** Meagan discussed contributing to the Lake project such as \$1,000-2,000 for a bench or flowers. Mike agrees that this is something we can do. We have about \$6,900 in the Polio Fund. We also discussed having the money in the Happy Dollars fund to go to IFAS for their Children's Garden.

**6.** We discussed having a meeting for a Parade Planning Committee to get a head start on planning the parade.

### **7. Meeting adjourned at 1:34 pm**
