

END POLIO

Rotary, along with our partners, has reduced polio cases by **99.9** percent worldwide since our first project to vaccinate children in the Philippines in 1979. We are close to eradicating polio, but we need your help. Whether you have a few minutes or a few hours, contribute and make a global impact to protect children against polio forever.

AREAS OF FOCUS

We direct our efforts in six areas to enhance our local and global impact. Our most successful and sustainable projects and activities tend to fall within the following areas:

- Promoting peace**
- Fighting disease**
- Providing clean water**
- Saving mothers and children**
- Supporting education**
- Growing local economies**

The Four Way Test

- Is it the **TRUTH**?
- Is it **FAIR** to all concerned?
- Will it build **GOODWILL** **BETTER FRIENDSHIPS**?
- Will it be **BENEFICIAL** to all concerned?

Rotary Youth Exchange

is a study-abroad opportunity for high school students to spend anywhere from a few weeks to a full year as an international student hosted by local Rotary clubs. Each year 8,000 young people share their culture and embrace a new one, help foster global understanding—and learn a great deal about themselves and their home country in the process. This year Capital Rotary Club of Tallahassee sponsored Leon High School Junior James McAuley for an exchange year in Italy.

"This, I suppose, is one of the most stunning things about Europe that I find the most difficult to really grasp. It's age. So much human history has passed by the same places that I so take for granted. "

James McAuley
