Each year, thousands of young people take part in the Rotary Youth Leadership Awards (RYLA) program worldwide. Young people are chosen for their leadership potential to attend an all-expenses-paid camp to discuss leadership skills and to learn those skills through practice. Rotary clubs and districts select participants and facilitate the event's curriculum. Students will develop their skills as a leader while having fun and making connections in this intensive leadership experience.

**Reserved for two 10th grade scholars - \$750.00
