Note from the President

"The difference between ordinary and extraordinary is that little extra." – Jimmy Johnson

Club members and guests: Jimmy Johnson's quote seems simple, the difference between being ordinary and being extraordinary is by doing a little more. It is by pushing through when most people would quit. It is about never giving up on your dreams no matter how far away they may feel. Our opportunity to be extraordinary as a club is now. During these times of uncertainty we can come together as a club, as a community to make an impact. Giving to Polio Plus is just one of many opportunities we have to make an extraordinary impact.
