# Note from the President

Club members and guests, Helping others is a sure-fire way to help ourselves. Make someone else's day a little bit better and watch how yours comes alive! When the opportunity presents itself, pay for a random stranger's coffee, compliment someone on their shoes, or smile (tough under a mask) at someone who looks like they could do with a friendly face...you never know what battle someone else is fighting, and your random act of kindness can literally change their day and possibly even their life. Live the four way test daily.
