PRESIDENT REMARKS

BE THE INSPIRATION—THIS YEAR'S ROTARY MOTTO

PAUL HARRIS WROTE:

Friendship was the foundation rock on which rotary was built, and tolerance is the element which holds it together.

Each one of our members has built a friendship in our club for many years, and I know will continue to do so.

All of our Club Members have been an inspiration to Rotary this year.

I would like to give a special thanks to Jerry Krauss & Tom Stewart for all they both have done for the CART fund in our Club and District.

Our Club has had a very good 2018-2019 year for the Pinellas Park Community along with our District our Club has been doing community and International Projects for 65 years.

Our main project this year were the STEM PROGRAM at Skyview Elementary and the Autism Weekend at Rotary Camp Florida.

Our Club received the Presidential Citation this year along with being nominated as one of the top 3 medium sized Clubs in the District.

None of these projects could have happened without your help along with your families and I would like to thank all of you for this past year.

To my Wife Pat, Daughter Holly, and Son Joey, Thanks for your support through the year.

This past year the 2nd time around has been fun and a true adventure in SERVICE TO ROTARY.

THANK YOU, Joe Minarik

in the Pinellas Park Rotarians!!!
