Last Week's Program:

President David Allen introduced **Josh Rimschiag** from **Mother Kombucha**.

He is the owner of this company, which makes **Kombucha**. Josh is Mother Kombucha's Brew Master. A long-time home fermentationist, Josh is a something of a Renaissance Man: urban homesteader, student of traditional

Chinese herbology and family man. It's Josh's job to dream up MK's dazzling flavors, combining the best elements of nature in the pursuit of your mouth's happiness. He takes this work very seriously. Thank you **Chantel Wonder** for helping **Buddy Brown** obtain our program for today. Mother Kombucha is packed with healthy probiotics, enzymes and amino acids. It is a delicious, lower sugar, healthy alternative to soda. It is an excellent source of vitamin B12. The craft is brewed in small batches in the sunshine state. One sip and you will see that there's something special about Kombucha. All of our Rotarians got a variety of samples. The most common opinion was that it was different. Some tasted vinegar, some blueberry and most said it was somewhat tart.
