congressmen on expensive

worth it except they keep

Too bad Wiley Post crashed his airplane and killed Will Rogers & himself back in the 1930s—it has been well over 80 years since his death.

What's interesting is that it seems nothing has really changed since then, and clearly we could still be using Rogers' fine advice today. What a genius.

### Next Week's Program:

Program Chairperson Starlyn Fikkert will present a surprise presentation of great interest to everyone.

# mpians at seminoole Lanes this Saturday!

**Last Week's Program:** Barbara Todd MacKellar presented Bonnie Hough, the Director of Outreach for the Pasco/Pinellas Area Agency on Aging. They are an Aging and Disability Resource Center, which is the place to start for seniors, caregivers, and individuals with disabilities who are looking to live safely and independently in their homes and communities.

In 2018, they provided resources to more than 51,000 seniors in areas such as transportation, nutrition, case management, care giving, and more. Pinellas is a trusted resource to advocate, educate and empower seniors, individuals with disabilities, and caregivers which promotes independence in partnership with the community. Our community will provide seniors, adults with disabilities and caregivers with the resources and services needed to maintain independence, promote healthy aging and live an optimal quality of life. PPAAA has been a non-profit organization since 1974.

Their HELPLINE number is 800 963-5337

Their Pinellas local number is 727 217-8111
