**Last Week's Program:**

**Program Chairman David Sideri** provided a discussion about the process of electroplating and how the very important work that he does at his company, AdTec II, affects our lives. David started in the electroplating business in Lee, Mass., with his brother, founding C&W Chrome in 1982. He moved to Lawrence, Mass. in 1983, where he worked in the family business, Ad-Tec. He eventually relocated to his current location in Pinellas Park where he started and established the AdTec II company, which has many large clients, including Corvette, Airbus, Boeing, General Electric, Nissan, Lockheed Martin and Duke Energy. Electroplating has numerous uses including jewelry, trophies, airplanes, and coins, and touches many aspects of our lives.

**Happy Events: by Janet Waddell**

**Josh Astarita:** Glad to be here today as he has been busy working and not able to be here for a while. Next week, he will be in North Carolina. He is closing on property tomorrow. Go Chiefs!

**David Sideri:** Glad to be here today. Paying his \$4 up front as he will be talking today about his company, AdTec II.

**Joe Minarik:** His wife, Pat, finally had her surgery yesterday. The valve replacement part of the surgery only took 20 minutes, but they cleaned up parts of her arteries in her legs with stints and that took two hours!

**Jerry Krauss:** When he went bowling at Seminole on Monday, Kevin came up and asked him if he had seen the three new a/c units that United A/C installed at a cost of \$45,000. Usually he gets complaints that it is too warm. On Monday, he got lots of complaints from the seniors that it was TOO cold. He was lucky to make it out alive!

**Phil England:** Happy \$2 to have his friend, Andy Moore, here today. Happy also to have made his first capital improvement to his new property. He installed a GATE. Happy also that his property is close to Hwy 41 as there is a sign on the other side of Hwy 41 that says that an extension of the "Villages" is coming to that area. His property has increased in value already!

**Yvonne Fay:** Thank you again to Jerry for the "shout-out". Happy for Pat and hoping that everything goes okay. She is also remodeling her kitchen.

**Janet Waddell:** Sending Prayers for a quick and complete recovery for Pat.

**David Allen:** Happy to report that his son has been promoted from Captain to Major.

**Richard Breske:** A couple of funnies: When Buddy is not here there is "No buddy" and when Chantel is not here it is "No Wonder".

**Barbara MacKellar:** Happy that her property that is up for sale should be closing soon.

**Jeff MackKellar:** Was not happy to have to miss the last two weeks. Happy to be back.
