Rotary Connects the World!

Last Week's Program:

Club President David Allen introduced **Kaanaeli Ndeoya Kanuya** who joined us on Zoom from Africa. He was born in King'ori village in Tanzania. The village is situated between *Mount Kilimanjaro* and *Mount Meru*. **Rob Schuck** assisted Kaanaeli with his presentation, which was made from Tanzania through our Zoom meeting. He showed us pictures of Kilimanjaro, the only place in Tanzania where there is snow; the Serengeti, which means "endless plain"; the Ngorongoro crater/caldera which is 610 meters deep and Lake Manyara. In 2012, he and his wife started their own business, opening **Livingstone's Africa Safaris, Ltd.**, where he and his wife continue to work hard and share their beautiful country with the rest of the world. Tourism helps fund conservation efforts and wildlife management. Over there, Donkeys are the poor persons "LandRover".

This Week's Rotary Minute: **Rotarian Tami Scheele**

This Week's Program:

Rotarian Starlyn Fikkert will introduce **Dr. Karen McGlashan, D.C.**, founder of the *Infinite Health and Wellness Center* located at 504 Pasadena Ave South, St. Petersburg, FL. Dr. Karen obtained her Doctor of Chiropractic Medicine in 1997. She holds Post Doctorates in both Internal Medicine and Nutrition and a specialty in Functional Medicine. Prior to entering Chiropractic Medical School, Dr. Karen was a Registered Nurse with a specialty in emergency room, adult and pediatric intensive care. Dr. McGlashan recognized the need for a more integrated and personalized care of the whole person rather than just treating the disease. She sought to uncover the root cause of her patients' ailments and provide medical care that corrects the biophysiological and lifestyle causes that create these chronic diseases. Her experience compelled her to create a center that incorporates medical knowledge with the compassion and caring necessary for the restoration of the body toward optimal health. With 40 years of health care experience, Dr. Karen brings extensive knowledge and dedication to her client's total health and wellbeing.

Next Week's Program:

Rotarian Barbara Todd MacKellar will be presenting and hosting **Law Day**, in a joint meeting with the *Kiwanis Club*. Her daughter, **Judge Kimberly Todd**, will be our speaker.

Many thanks to Rotarian Harry Alchin for taking our \$900 donation to them to use to purchase food for their pantry.

Last Week's Rotary Minute - Rotarian Paul Scheele

Paul was born in June, 1943. A 1961 high school graduate, he graduated from Iowa State University with a BA in 1966. A friend of his father offered him a job working in the "Dog" Business so he moved to Florida. He enjoyed the business of raising and racing greyhounds and subsequently bought a dog kennel that he owned for over 40 years. In 1988, he met Tami who worked at Derby Lane. According to him, she seduced him and the rest is history! They were married in 1997. He retired from the "Dog" business in 2005. Looking for something new to do, he and Tami became realtors and partners in business and he says "she has taken over all of his money (worries -editor note) ever since and keeps him on an allowance". Tami became interested in and joined Rotary in 2012 and sponsored Paul in 2014. It is the second best thing he ever decided to do!
