## Last Week's Program:

Program Chairperson Yvonne Fay introduced Hal Hardy with *Crunch Natural Parenting*, a family owned and family friendly community retail store focused on natural parenting products and other resources. They sell cloth diapers, clothes, amber necklaces, wooden toys, and much more. They also host many support groups, primarily focused on helping new parents and breastfeeding moms. *Crunch Natural Parenting* was founded six years ago by Gladys Rubio, IBCLC, and Robert Hoskins.

Hal and Courtney Williams purchased the business four months ago, allowing Gladys to pursue her nursing career. *Crunch* also sells different brands and styles of baby carriers, and is home to many lactation support groups, which are hosted by Gladys and the Le Leche League.

Other support groups such as *Baby Led Weening, Cloth Diapering, and Baby Carrying* can also be found at the store, which is located at 1599 Main Street in Dunedin, Florida, or on-line at [www.crunchnaturalparenting.com](http://www.crunchnaturalparenting.com)

Hal showed us some of the natural and environmentally friendly items available at the store and demonstrated how to use some of the baby carrying items. We thank him for a very informative presentation.

If you missed it, you can still find both of the General Sessions on You-tube. Breakout sessions have been held all week and recordings of those are also available on-line. The
