

Luckily, our Bowl-a-thon was early this year and a rousing success before the Covid-19 restrictions, and earned over \$29,000 for Tom Stewart's Year.

With the advent of Covid-19, meetings became virtual and were held on **Zoom**. **David Allen** and **Don Higgins** teamed up to provide a platform to continue our meetings that were very well attended, virtually. Our community charitable works became virtual also. We could no longer physically prepare dinners and breakfasts at Ronald McDonald House, so we donated \$1,593.75 for them to purchase dinners for their residents.

Cross Bayou Elementary **Principal Kathy Wickett** proclaimed our Club as their **Business Partner of the Year**. During this Rotary year, we presented thirty-five \$25 checks to teachers at our five elementary schools and rewarded 28 High School Students of the Month with plaques and \$50 checks. Our last Rotary event was a Road Cleanup in June. At our last Club meeting, a Club Assembly, **District Governor, Allen Collins**, presented David Allen and our Club with a **100% Paul Harris Fellow Club Banner** to acknowledge our continued commitment to supporting Rotary International.
