ROTARY CLUB OF PINELLAS PARK MAKING A DIFFERENCE

Rotary Club of Pinellas Park offers opportunities for our members — and those interested in making a difference — to get involved. Through meetings, social events, and volunteer projects, our members learn about the issues facing our community and communities all over the world, partnering with local, national, and global experts to exchange ideas about potential solutions and to draw up action plans to respond. Along with these opportunities to serve, members also are able to regularly network, resulting in lifelong friendships and business connections.

Rotary Club of Pinellas Park is a proud part of this community and of Rotary International. Rotary is a global network of more than 1.2 million members who believe that great things happen when dedicated minds come together. We are community and business leaders representing different professions, experiences, and perspectives but with a shared desire to connect with others to address the challenges affecting our community and communities around the world.

Pinellas Park Rotary wants to honor your organization's efforts on working to protect communities from preventable disease, keeping women and children healthy, improving education and economic outcomes, creating safe water and sanitation infrastructure, protecting our environment, assisting with disaster response, and making our communities and the world a more peaceful place.
