## **Last Week's Program:**

Program Chairperson Janet Waddell introduced **Shana August** from **Hollins High School**. Shana chairs the **Hollins High School Food and Clothing Pantry**. Shana reached out to us a few months ago with a need for new clothing racks, reusable bags and hangers. **President Tom Stewart** found a way to provide these items. We purchased 500 reusable bags with our Pinellas Park Rotary Club logo for the food pantry, two each of the clothing racks shown below and many Rotarians donated extra plastic hangers from their closets for the clothing pantry.

Shana was approached by the Hollins HS administration 7 years ago and asked to “teach” a “Community” class. The class was formed as a Truancy avoidance class for students who were in drop-out prevention. Since the school is a Title I school, she was asked to start a food pantry to help students who are in need of food assistance. The school has partnered with **John Hopkins Hospital** and **Feeding Tampa Bay** to provide food for the students. Last year with the Pandemic the need increased, becoming a need to feed the student, their family AND the community. Students have stepped forward to help organize food for 60-80 families this past year. **Publix** bakeries have joined the partnership to provide day old bread and pastries for the food baskets. **Feeding Tampa Bay** provides Meat, Produce and Dry Goods for the baskets. The students are in charge of keeping inventory records and preparing the clothes for the clothes

pantry after they are donated. Shana's students are learning compassion, finding out that many have more pressing needs than they do. They are learning to give back to their community by partnering with Elementary Schools, pumpkin patches and other community programs. This class has satisfied her passion to teach, to get the students involved in their community and reminds her each day that the youth of today are good kids, interested in helping their community.

## **Meals on Wheels for Kids – Food Packing - June 2021**

Many thanks to **Barbara & Jeff MacKellar and Suzanne Green & Ethan and Peter (PJ) Zylman** (Janet's daughter and grandsons) who were able to give of their Friday morning to pack food for Meals on Wheels for Kids. They were joined by two regular volunteers to get

everything packed and prepared for delivery on Monday. It appears that the new space at the **Gulfport Community Players** building, 1619 49th St So, is much more spacious and has more room to move around as they pack the boxes.

## **This Week's Program:**

Today we will celebrate the Final Meeting of **Tom Stewart's Presidential Year**. He has prepared a program to reminisce over the many great things our Rotary Club has done this past year under his leadership.

## **Next Week's Program:**

**Program Chairperson Yvonne Fay** will present **Amy and Toni** from **Vested HR Solutions, LLC**. They are committed to providing clients with tailored Human Resource and Risk Management solutions that enable their clients to focus on the success of their businesses.

Founded in 2019 by an entrepreneur who traditionally used PEOs for payroll processing, **Vested HR Solutions, LLC** set out to solve a frustrating problem consistently seen throughout the payroll industry: a lack of compassion and understanding when it comes to your business. For this reason, **Vested HR** is very proud of its “Human Focused” approach.
