

# 2018 Christmas Baskets!!

Hello All!

Well, friends, we held another successful Christmas Basket community outreach event. Together, we served approximately 40 families, including 116 children in the Pinellas Park area. Many, many THANKS to all of you!! Dad, great job purchasing all of the food.....thank you! Buddy, thank you so much for getting things together early this morning.....boy, you can really get a lot done before the sun rises ☺ Kevin, thank you and Seminole Lanes for holding this event and storing all the stuff.....there was a lot of it.....putting the boxes together was very helpful as well. Theresa and Janet, great job organizing the gifts and checking in all the families. Harry and “mom”, the stuffed animals were a special touch.....thank you☺ David, the doughnuts were a big hit....especially with my daughter (first to try blueberry icing) .....and Joe, the turkeys will be a hit on the Christmas table. Jason, always a pleasure working with the PP Fire Department!

**To all of you that purchased gifts and called the families.....thank you again!**

I wish all of you a Merry Christmas and a Happy New Year!

Christine Patel

## **Rotarians participating:**
