District and Club database

2020-2021 DACdb President Training

DACdb

The District and Club database was developed to assist districts and clubs to meet their administrative reporting requirements to Rotary International, and to foster easier communications within the district for the district leadership, district committees, club leadership, and of course the members of Rotary Clubs.

Hurricane Dorian Disaster Relief

Tuesday, September 3, 2019

Immediate Past Rotary International President Barry Rassin has asked for continued financial assisatance to the Bahamas in the aftermath of destruction to his nation. **Donations will be made by wire transfer** to the Rotary Club in East Nassau which is overseeing the Rotary humanitarian efforts.

Checks from clubs and members should be made out to: **The Rotary Club of Naples Charitable Fdn.**
In the memo line: **Dorian or Bahamas**
Send checks to:
Rich Kirschner
15062 Danios Drive
Bonota Springs FL 34135

Barry Rassin also speaks of the need for food. We are asking clubs to participate, organize, and work together on food

Current Observations from The Rotary Foundation

Tuesday, September 10, 2019

By Alfred C. Current III

There's a lot going on this time of year - clubs are bettering our communities using district grant funds (like this photo of DG Rich and Nancy at Dictionary Day), ramping up for our World Polio Day events, and participating in events and activities to increase awareness and giving to The Rotary Foundation.

PMail Tracking
Search for Member
The most recent 90-days of PMail sends (campaigns) are shown below. The No Read (and % Read) statistics are approximate numbers of PMails opened (not necessarily read) by members. Your read rate could be higher than what is reported. What is reported is a positive indication of PMails being opened. PMails opened off-line or on devices with no connectivity will not be included in the statistics below. Also, some email programs do not allow for open tracking and others allow the recipient to choose whether to allow or disallow open tracking.
A 20% and above read rate (% Read) is considered good.

Messages will send a text message to the selected members' cell phones. Text messages are typically limited to 140-160 characters, and will depend on the individual carrier. The message window above is constrained to meet the text size limits of all carriers being texted below. By default, members without a carrier defined will be sent an EMail. This option can be unchecked below. As an alternative option, the message can be sent as a normal email.
