

LABELLE HIGH SCHOOL'S INTERACT CLUB

DISTRICT 6960

Sponsored by LaBelle Rotary Club

THIS YEAR OUR CLUB HAS DONE...

14 community events under the guidance of our club advisor, Michelle Brunetto

&

7 fundraisers and donation drives under the leadership of our teacher sponsor, Lucia Aguiar

GROWTH AND LEADERSHIP

The 2023-2024 school year has taught our Interact Club many lessons about leadership, friendship, and community engagement. Our club doubled in size in comparison to last year, going from about 30 to 63 active members. Taking the initiative, six upperclassmen organized the new club size and created a welcoming environment for new members. As of last month, we also had three underclassmen attend the Rotary Youth Leadership Awards (RYLA), where they gained leadership experience and made lifelong memories with new friends.

RYLA MEMORIES

SPAGHETTI DINNERS

We have observed our members develop friendships through the experience of serving our community, most notably through the LaBelle Rotary Club's annual Spaghetti Dinners, established to support our four local elementary schools. The Interact Club was present and active during all four events, helping the Rotary Club with clean-up, food and drink stations. Our members also worked to help the school with parent-teacher conferences and the book fair.

WORKING WITH ROTARY

In addition to the Spaghetti Dinners, our group worked alongside the LaBelle Rotary Club in the following events...

- Round-Up Golf Tournament
- Rotary Luau
- Turkey Shoot and Trot
- Swamp Cabbage Armadillo Races

FUNDRAISERS

This year we held five fundraisers in our school and general community to raise money for our club and charity. In total, we have raised about \$1,780, and at our end-of-year banquet we will be donating \$1,500 to six charities chosen by our members, including the Abuse Counseling and Treatment (ACT), Wheelchair Foundation, Polio Foundation, St. Judes Children's Hospital, Gulf Coast Humane Society, and the Make a Wish Foundation. In addition to this, we held two clothes donation drives at our school and were able to donate to the local Abuse Counseling and Treatment Center.

THE FUTURE OF OUR CLUB

Through our involvement in community events, our club reached out to other students and encouraged them to become involved in our efforts. Recently, we participated in the Labelle High School curriculum night to recruit new members, led the Labelle Middle School Interact Expo, and helped the elementary Rotakids plant a garden to beautify their school.

THANK YOU FOR YOUR ATTENTION!
