

45th Annual Cy Bispham DGE HomeStay Program

Directory

**January 6 - 12, 2019
Sarasota, FL USA**

BE THE INSPIRATION

In Memoriam

In 2013 the Rotary Club of Sarasota Bay named its very successful and long running DGE Home Stay Program as the **CY BISPHAM DGE Home Stay Program**. This was a small way to celebrate and honor the outstanding contribution made by Cy, his wife Doris and the rest of the Bispham family in hosting the Wilderness picnic at their Myakka ranch as part of the home stay program. Year after year they produced an amazing feast of wild game and bush foods that brought an old world charm to modern Florida. Cy was particularly at home serving up his favorite seafood soup while telling stories about the wilderness.

Cy was a charter member of the Sarasota Bay Rotary Club and was an very active member until the end. He truly exhibited the kindness, character and interest that makes our club "The Friendliest Club in the World". His stories of the old days in Sarasota and the early years of the club are legendary.

Welcome to Florida - The Sunshine State and District 6960!

For the past 44 years of this wonderful program, we in District 6960 have welcomed a rich variety of Governors-Elects representing many cultures and countries. Your time with us here in sunny Florida will be an enjoyable experience and we know that you will make new friends this week. Your next year as District Governor is going to be one of the best years of your Rotary life. You will have a great time in San Diego at the International Assembly next week and you will meet so many others on this same journey.

Please take in the cultural opportunities we offer in Southwest Florida and discover what we call *paradise*. Before you know it, the week will be over and you will have made new friends for the rest of your life.

Enjoy and learn!

Yours in Rotary Service

District Governor - 6960

Dear District Governors-Elect and Guests:

Welcome to Sarasota, Florida! We are truly honored that you have chosen to join us for the 45th year of the Cy Bispham HomeStay Program. An exciting week is planned for you, with excursions and free time to experience the charm and beauty of the people and place we call home.

I hope you have a wonderful week, make new friends, and have lots of FUN here in Sarasota! Many people in our community have come from somewhere else in the U.S. so you can experience glimpses into other parts of our nation. Most conversations in Sarasota start with "Where are you from?" as native Floridians make up only a small portion of our population.

The Sarasota area has an amazing breadth of outstanding arts and cultural organizations that attract new residents largely from the big cities in the Northeast and the Midwest as well as extended-stay visitors. As a coastal city, we can boast some of the best beaches in America, and the water views and sunsets are stunning. Our sub-tropical climate allows a unique mix of fauna and flora.

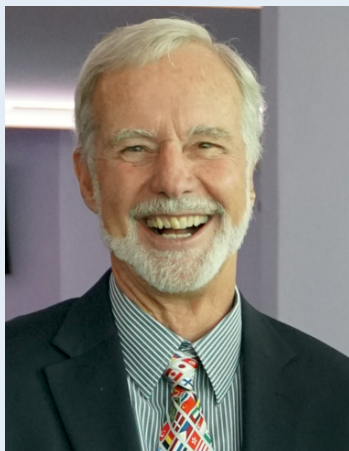

We want to thank all of the DGE's for your extraordinary service in Rotary that has led you to be with here today, and we wish you all the best in your Rotary journey ahead. You inspire us and all those in your district to better serve humanity.

Your journey here allows all of us in Sarasota to vicariously travel to corners of the world we will never see. For all of us, let it promote international peace through understanding and respect of all peoples and cultures of the world.

Yours in Rotary Service,

Gene Jones

Gene Jones
President 2018-19

Welcome to the 45th Annual Sarasota DGE HomeStay Program

We have been working hard for almost a year to make your HomeStay one of your best International Rotary Experiences.

We have an exciting week of activities to showcase our little area of Florida. There is so much to do and see that we can't fit it all in and still give you time to relax. So this will be your "taste of Sarasota" and maybe someday you will return to enjoy all the things you missed this week.

We are so proud of our Home Hosts that will have taken you into their homes and treating you as if you are long lost family. We couldn't continue this program without the support of our area Rotary Clubs and members. And we are so glad that you chose to join us for our HomeStay Program.

As you head off on your the next leg of your journey to San Diego, we hope that you will share your experience with others. But most importantly, we wish you the Best year in Rotary as District Governor 2019-20. Let's all work for International Peace and Understanding among all people of the world.

Sunday January 6th

Sunday is planned for you to arrive in Sarasota. Since not everyone will be arriving on the same schedule and each of you will have been traveling for a long time, we thought you might appreciate having time to rest, relax and perhaps have a home cooked meal! Thus, Sunday has no formal activities scheduled in order for you to become acquainted with your host and perhaps see some of Sarasota.

There are interesting events planned for the following days and we anticipate everyone's participation.

Monday January 7th

9:30AM - 2:00PM **Ringling Museum of Art Circus Museum & Ca' d'son**

(Dress - Casual comfortable walking shoes)

You will receive your admission passes and wrist bands and will be able to explore this world class museum on your own. Lunch is available on site although not included with your program. Talk with your hosts.

Afternoon - **Free Time**

The remainder of the afternoon is scheduled as free time for you and your hosts to enjoy on your own or rest after your travels.

6:00PM -8:30PM **Welcome Reception** Michael's Wine Cellar

(Dress - Smart Casual)

The Welcome Reception will provide time for you and your spouse to get to know your classmates, their guests, the host families. Hors d'oeuvres, soft drinks, and wine will be served. A cash bar will be available to purchase other alcoholic beverages.

Tuesday January 8th

➡ 11:30AM - 1:30PM **Rotary Club of Sarasota Bay Meeting**
(Dress - Business Casual)

You and your spouse will participate and be Guests of Honor at the Rotary Club of Sarasota Bay for our regular weekly lunch meeting. Each DGE will have 1-2 minutes to introduce themselves and their spouse, but due to time limitations there is no opportunity for individual presentations or banner exchanges. Banners will be exchanged at the Friday banquet. There will be a required **group photo** immediately after the meeting!

➡ Afternoon -Evening **Free Time**

After lunch is free time to explore downtown Sarasota to visit our galleries or stop in St. Armand's Circle for its unique shopping experience. Other options include Selby Gardens, Sarasota bay front, Lido Beach and Mote Marine or UTC Mall. The evening is free time for you and your hosts to fill at your own pace. Enjoy dinner in downtown Sarasota, visit a show or take the sunset cruise on the bay.

Wednesday January 9th

➡ 9AM - 11:30AM **South Florida Museum**
(Dress - Casual)

The South Florida Museum in Bradenton provides unique insights into the natural history of our area. You will learn about the early settlers to the Gulf Coast, see how Florida developed and visit the world class 3D Planetarium.

➡ 11:30AM **Lunch** at Pier 22 hosted by the Bradenton Rotary Club or Sarasota Downtown Rotarians will go to their meeting. Check with your host.

➡ Afternoon **Free Time**
Take a walk on the Bradenton RiverWalk or visit the Ellenton Premium Outlets

➡ Evening **Home Host Events**
(Dress - Casual)
Host DGEs and spouses get together for dinner and enjoy fellowship at events planned by host families. **Everyone Included!**

Thursday January 10th

10:00AM - 2PM **Myakka State Park Picnic**

Dress - (Casual-Outdoor Forest)

Explore the wonders of this beautiful natural Florida Forest. Enjoy a tour and walk on North America's first Canopy Walk in the tree tops of the forest. Travel the nature walks to see the alligators or take an optional tour boat in the mangroves. Pot Luck Picnic

Free Time

The rest of the day is yours to relax or explore more of Sarasota. There are many sites to see and you and your host can choose whatever you like. Plenty of shopping and site seeing or a trip to the beach (weather permitting). There're many great restaurants in the area for dining after a beautiful sunset on the bay.

Friday January 11th

AM - 4PM **Free Time**

The last day has been set aside for any activities that you wish to enjoy with your host family or other DGEs. This may be a good time to complete your packing for San Diego so you can stay and enjoy the Farewell Banquet with your newly acquired best friends.

5:30PM - 9:30PM **DGE Banquet at Bird Key Yacht Club**

(Dress is semi-formal or National Costume)

Hors d'oeuvres and cash bar will set the tone for a seated dinner at one of our outstanding members' only restaurants. You and your guest are encouraged to wear your national dress. Plan to arrive at 5:30pm to enjoy a social hour and fellowship. At 6:30pm please be seated at your table as the program promptly begins. A special musical presentation is scheduled and there will be the official exchange of banners with photos.

We need to give a special mention to
our Home Hosts. Without their
participation, this HomeStay Program
would not be possible...

A very BIG thank you!
