Randall Crouch  
Charlotte Harbor Sunset Rotary

Dear President Crouch,

Thank you to Charlotte Harbor Sunset Rotary for your generous donations of school supplies collected for the annual Back to School Supply Drive and the Teacher Depot for the Charlotte Local Education Foundation. The Supply Drive insures that every child in need will be provided with the tools to succeed from the first day of school to the last. The Students truly benefit from your donations and the teachers really appreciate the variety of supplies that we are able to stock. You have made a real and meaningful difference with the donations of supplies and helped make this event a success.

The Charlotte Local Education Foundation manages the Take Stock in Children mentoring and Scholarship program in Charlotte County. Take Stock in Children was founded in 1995 and provides a unique way opportunity for deserving low-income youth to break the cycle of poverty through education. Take Stock in Children has impacted the lives of more than 24,000 children and over 2,000,000 mentoring hours have been logged statewide. Please visit our website at <http://CharlotteSchoolFoundation.org> for more information about our programs and exciting things that occur throughout the year.

Your donation will help us to continue to provide scholarships, mentoring and hope for low-income students and their families. Your contribution and support of public education is greatly appreciated.

Sincerely,

Sara Wierhake  
Executive Director
