Committees

at
Northwest Jacksonville

Serving is the primary reason for joining the Rotary Club, and serving on a committee is where it all starts. There are 13 available committees for you to choose from. You can decide which Committee fits you best, depending on your personality and passions, or we can select a place for you to serve. Either way, the Community will be better for your contribution, the Club will benefit from the vast insight you bring to the Club, and you will find satisfaction that only serving your fellowman can bring

Committees are the foundation of the Club. They consist of one or more people elected or appointed by the Board to assist the Board with investigating the Club and Community issues and recommending the best course of action to the Board at its monthly meeting. They are further responsible for carrying out the prescribed activity as directed by the Board of Directors.

Attached you will find a list of approved committees for your consideration. You may contact The Club's secretary for further clarification and directions about serving opportunities.
