Letter from the President

Dear New Member,

Welcome to the Rotary Club of Northwest Jacksonville. The 2021-2022 theme for Rotary International is, "Serve to Change Lives." You are stepping into one of the greatest service organizations in the World. We look forward to you becoming part of our Rotary family and living up to the spirit of our motto:

Service Above Self!

Yours in Rotary Service,

Dale M. Moe

President 2021-2022

Rotary Club of Northwest Jacksonville

District 6970 Rotaract, Co-Chair

The DIAMOND Miners Club

Diamonds are the hardest natural material on earth and considered the most precious natural resource in the world. They come in many different colors, shapes, and sizes. Diamonds are formed from pure Carbon deep in the earth's mantle when two forces of nature, extreme HEAT, and high PRESSURE cause a reaction that creates diamonds.

The communities of Northwest Jacksonville have suffered from the HEAT of racism, ineffective leadership, lack of personal responsibility and the PRESSURE of economic, educational, and physical/mental health issues. Because of the heat and pressure put on these communities, they are riddled with DIAMONDS. Men, women, and children who are '*diamonds in the rough,*' needing to be polished by love, accountability, support and the determination to see their own value as **DIAMONDS.**

We are here to help you SHINE!
