HOW DID YOU LEARN ABOUT ROTARY? \_\_\_\_\_

\_\_\_\_\_

I, \_\_\_\_\_ as part of my application for membership in the St. Augustine Sunrise Rotary Club hereby give consent to the Club to perform a routine and confidential criminal background check.

Further, I understand that attendance at a weekly meeting is required by active members and that each member is required to work four (4) shifts at the annual Rhythm & Ribs Festival, our annual fundraising event. I also understand that I am required to pay my dues in a timely manner. Make-up meetings can be obtained by attending any Rotary in the world. Service hours on a Rotary project will also be considered for make-up hours.

## PROCEDURES FOR PROPOSING NEW MEMBERS

- 1.) The name of a prospective member can be proposed by an active member of the club or by the membership development committee. The proposing member must be an active member within the club for a year. The prospective member will be invited to two meetings and the proposing member will be asked to introduce his/her prospective member. The proposing member will inform the prospective member of the privileges and responsibilities (including financial obligations) associated with membership in the club. After two meetings, the proposed member completes the new member form and submits this to the club secretary. Under current RI rules, up to 10% of the club size can be filled by the same classification.
- 2.) The membership committee will investigate and report to the board on the eligibility of the proposed member in regard to his/her character, business, and social standing.
- 3.) The board shall consider and approve or disapprove the recommendations of the membership committee and will then notify the proposing member, through the club secretary, of their decision.
- 4.) If the decision of the board is favorable, the prospective member's name and classification will be published to the club for two consecutive weeks via e-mail. A background check will also be performed.
- 5.) If no objection is received by the board from any club member within seven days following the publication of the name of the prospective member, the prospective member will be inducted as a member.
- 6.) The member will be formally inducted as a new member at a regular club meeting. The proposing member and a past president will act as mentor to the new member for one year.

**I AGREE TO SPONSOR/MENTOR THIS MEMBER CANDIDATE**
