St. Augustine Sunrise Rotary Club Members:

As one of our club service project's, we have agreed to field a team of 10 members to build a wheelchair ramp for an elderly or disabled individual as a part of Make a Difference Day on Saturday, Oct. 22, 2016. We are donating \$1,000 toward this project. Team members will meet at Evelyn Hamblen School at 8 am for registration, and to get t-shirts, donuts and directions to our site. Lumber and blueprints will already be at the site, along with some tools. We should also bring some of our own.

Lunch and water will be provided. At the latest we will work until 5 pm, but if we finish the ramp sooner, we are done sooner.

If interested in helping, please email Kathy Mignerey at mignereyk@bellsouth.net or text her at 814-6158. Friends or family members with some carpentry skills are welcome to join us. Those members with electric saws, drills, hammers, etc. are urged to bring them.

Make a Difference Day is a national service day initiative, which is coordinated by the St. Johns Housing Partnership in our community. For more information about their organization, go to www.sjhp.org.

Do not register for Make a Difference day at that site, Kathy has already registered us as a team. Address: 1 Christopher St. in downtown St. Augustine Directions: From US 1, go west on King Street, turn left onto S. Whitney St., take 3rd left onto Christopher St.

eBay Live Auctions Benefit Rotary

Rotary members, their families and friends can support Rotary's work by bidding on antiques, artwork, jewelry, and collectibles through eBay Live Auctions events.

Each month, Rotary will promote on its social media outlets a set of upcoming [Live Auctions](#) events, and eBay, the world's largest auction website, will donate a portion of all sale proceeds from those events to Rotary.

Live Auctions events enable buyers to participate in auctions across the United States — held at such auction houses as Sotheby's, Swann, and Freeman's — without leaving home. Under this proceeds-sharing agreement, only U.S. auction sales are eligible.

Click <http://tinyurl.com/h7p22q6> for a list of September's live auctions to benefit Rotary.

Are You Ready For Some Football???

Something new – let's give it a try and see how it works.

You now have the opportunity each week of the professional football season to participate in a Pick-'em Football Pool to raise money for End Polio Now.

How it works: For each game listed, pick the team you think will win. No point spreads – just who will win the game. Home teams are listed on the right. Place an 'X' in the box of your selection, and, as a tie-breaker, guess the number of points to be scored in the Jag's game.

First week – we'll give it try for free. Starting next week, each pool will be \$5. The winner will win half of the pot, and the remainder of the pot will be donated to Polio Plus at the end of the season.

It's fun, and it's for a good cause. Return your completed Pools to The Prez before you leave, and don't forget to put your name on the sheet.

Rotary Means Business Update

Rotary Means Business District 6970 has networking meetings planned for this fall to help you connect with a growing network of Rotarians who are looking for strong business contacts. Rotarians in our district are already discovering that RMB meetings help you find:

- A Supplier you have been looking for
- A new job opportunity
- A new customer
- Someone who knows someone you need to know

Remember - networking is not a one-time event, it is a process of building strong relationships. The more often people meet you, hear what you have to offer, and develop a level of comfort and trust, the more likely they are to do business with you and refer their friends and associates.

Upcoming events:
September 12 – Aloft near the JAX airport

September 19 – Westminster Woods, Julington Creek
