

THE WEEKLY SAS

The Newsletter of the St. Augustine Sunrise Rotary Club 08/10/22, Issue 1

IT'S A WIN-WIN

Eustacius Roberts – a Rotarian and Membership Chair for the Downtown Rotaract Club of Jacksonville —was our guest speaker.

He shared his experiences in Rotaract. Eustacius also explained how we can help young adults become involved with Rotary. Here's his three-pronged plan:

- 1) Lend an ear—listen to what people are saying vs reacting to what you think someone is saying or about to say;
- 2) Lend a hand—be willing to offer support, not necessarily through money or muscle, but by taking the time to find out what a young person needs;
- 3) Lend a dollar—younger adults are start out in their careers and may not have the financial resources to pay Rotary dues; so let's try to be flexible.

When we lend an ear, lend a hand and lend a dollar, we're forming relationships that benefit the goals of Rotary and our Club. We gain perspective, energetic and creative members too. It's a win-win for all.

Meeting tonight at 6 at Canan Law.
Hope to see you there!!

Guess What Time It is

It's Period Project time.

Anita O'Donnell is collecting feminine hygiene product for local social service agencies that help menstruating women and girls in need.

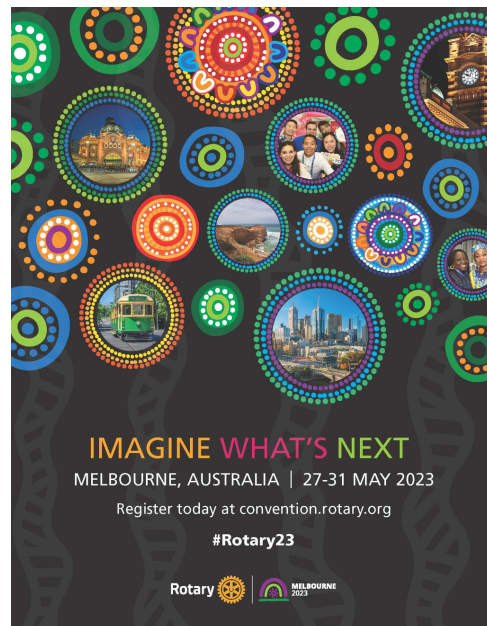

Please consider donating product to our Club-sponsored program by using this Amazon link: https://www.amazon.com/hz/wishlist/ls/26ZCHYE1JWP7Z?ref_=wl_share

Product will be delivered by Amazon right to Anita's house so she can organize it. Carolyn Mudgette is helping Anita deliver the product. Thank you! Let's keep this project flowing!!

We'll see you next week, right?

Rotary is about service, but it's also about fellowship. If you haven't rejoined our meetings, please let us know what we can do to help. We miss you!
