A LITTLE FELLOWSHIP WITH OUR BREAKFAST

Our meeting on Wednesday was a Club Assembly to update the Club on Rhythm & Ribs and to have time for fellowship. If you have patio furniture that we can use for the VIP Tent, please let Jake or Danny know. Jake noted that you might only do this with patio furniture that you're about to replace. Also, our volunteer positions for R&R are only 43% full. Please ask family and friends to volunteer. We had a round of applause for Jake's work in planning and implementing this year's R&R. Jake was quick to point out that others are helping to pull all this together too.

JAGUARS-ROTARY POLIO PARTNERSHIP

We're watching the Jaguars beat the Raiders on Military Appreciation Day, November 6. You can help end Polio even though you might not want to see the Jaguars or the Raiders (although we'd love your company)! Just buy tickets and give them to a Vet or two! Tickets are either \$50 or \$60 each depending on the seating area. All but \$15 will be donated to the Rotary Polio Plus project to end Polio. (The bus transportation to the game will be additional). Please give your check to Michael Flaar by September 14 along with a note stating how many seats you want, what type of seat you want and whether you'd like to ride the bus to the stadium. You can let Michael know of your interest at mflaar@centralbankfl.com.

We really need more volunteers for Rhythm & Ribs. We need people to sell tickets for the children's games, people for the cleaning crew, and to work with the teens at the parking lots. R&R is currently our only fundraiser, and it just happens once each year. Please serve.

Thanks!
