ROTARY MEANS BUSINESS DISTRICT 6970

RMB District 6970 is a group of Northeast Florida Rotarians networking with other Rotarians. They share a belief that we should honor the roots of our great worldwide organization and support one another in business guided by the 4 Way Test.

As Prez Ed mentioned in his inaugural meeting, RI President John Germ is supporting the idea of more business networking for Rotarians. RMB was formed to facilitate that networking among Rotarians within our district.
