THIS WEEK IN SUNRISE ROTARY

## Are You Ready For Some Football???

Week One is in the books, and featured (until Monday night) too few blowouts and many close games. The big winners in our Trial week were Al Volk & Jason Chane, who both selected 11 winners and 48 total points in the Jags game.

Now, it's money time. Contribute what you can when you hand in your selections. Each week's winner will win half the pool, with the other half going to End Polio Now.

How it works: For each game listed, pick the team you think will win. No point spreads – just who will win the game. Home teams are listed on the right. Place an 'X' in the box of your selection, and, as a tie-breaker, guess the number of points to be scored in the Jag's game.

It's fun, and it's for a good cause. Return your completed Pools to The Prez before you leave, and don't forget to put your name on the sheet.

## Rotary Means Business Fellowship Update

Rotary Means Business District 6970 has networking meetings planned for this fall to help you connect with a growing network of Rotarians who are looking for strong business contacts.

Remember - networking is not a one-time event, it is a process of building strong relationships. The more often people meet you, hear what you have to offer, and develop a level of comfort and trust, the more likely they are to do business with you and refer their friends and associates.

The next RMB event in our area is scheduled for Monday, September 19, at Westminster Woods in Julington Creek. This event is being sponsored by the Bartram Trail Rotary Club.

# St. Johns HOUSING PARTNERSHIP A SERVICE OPPORTUNITY

St. Augustine Sunrise Rotary Club Members:

As one of our club service projects, we have agreed to field a team of 10 members to build a wheelchair ramp for an elderly or disabled individual as a part of Make a Difference Day on Saturday, Oct. 22, 2016. We are donating \$1,000 toward this project. Team members will meet at Evelyn Hamblen School at 8 am for registration, and to get t-shirts, donuts and directions to our site. Lumber and blueprints will already be at the site, along with some tools. We should also bring some of our own.

Lunch and water will be provided. At the latest we will work until 5 pm, but if we finish the ramp sooner, we are done sooner.

If interested in helping, please email Kathy Mignerey at [mignereyk@bellsouth.net](mailto:mignereyk@bellsouth.net) or text her at 814-6158. Friends or family members with some carpentry skills are welcome to join us. Those members with electric saws, drills, hammers, etc. are urged to bring them.

Make a Difference Day is a national service day initiative, which is coordinated by the St. Johns Housing Partnership in our community. For more information about their organization, go to [www.sjhp.org](http://www.sjhp.org).

Do not register for Make a Difference day at that site, Kathy has already registered us as a team. Address: 1 Christopher St. in downtown St. Augustine Directions: From US 1, go west on King Street, turn left onto S. Whitney St., take 3rd left onto Christopher St.
