THIS WEEK IN SUNRISE ROTARY

2017 Scholarship Recipients

As many of you know, each year we present scholarships to deserving students from our local high schools. With the year coming to a close, Kathy Mignerey has informed us that the final 2017 scholarships have been assigned.

Recipients of two \$500 scholarships from the Florida School for the Deaf and Blind are Christine Maldonado (Deaf) and Ryan McCleary (Blind). Christine will be attending the National Technical Institute for the Deaf in Rochester, NY, and will major in Mobile App Development. Ryan is the 2017 class Valedictorian, and plans to attend SJRSC before transferring to UCF and majoring in Computer Programming.

This year's St. Joseph Academy Interact recipient of a \$1,000 scholarship is Samuel Marc Williar. Sam was the President of the St. Joe Interact club, and was the only Senior in the club. He is planning to attend SJRSC to get his AA degree, then will transfer to UF to pursue a degree in Secondary education or Criminal Justice.

WE RECEIVED A NOTE FROM EGE (2014-15 RYE STUDENT OF THE YEAR)

Hi Dawn! I couldn't keep in touch with you for a long while so couldn't let you know news about me. Firstly I'm doing good enough, not too bad at least for my own private life. My final exams are going to begin this coming Monday and will be finished at the end of May so I'm lucky to have three and a half months for the summer break but I'm planning to do an internship. It will be perfect and practical for my future. I'm having good grades for midterms except 2 classes, I already failed with 2 of them. 😞 But other 7 classes are okay for me. 😊 Beside the internship I'm joining the social responsibility project in Hong Kong by Aiesec again for 6 weeks. It will be before the internship. I'm so excited again and so happy that my English will be improved. 😊 If everything goes well as I planned, then I'll be in USA in summer next year for 3-4 months. I'm planning to join the program that called Work&Travel. I will work 3 months and go on a vacation max. for 1 month. So that's a perfect opportunity to see you again and live the memories. 😊 As you know, there was a referendum in Turkey appx 2 months ago. And the president has robbed lots of ballots so they made the referendum as they wanted. But people are not morons anymore so I believe they will lose and be judged. If it's not here on earth then will be in hell.. I don't want to think anymore about them because it makes me sick.. 😞 I'm thinking of you all the time. I still miss my days in St. Augustine and want to live my memories again. I miss you all! Hopefully you're all doing good and having good time out there. Hugs and loves EGE
