Consider these national statistics:

More than 3 million children are abused in the U.S. every year.

1 in 10 children will be sexually abused before their 18th birthday.

90% of children between the ages of 8 and 16 have viewed pornography on the Internet.

Children begin viewing pornography at an average age of 11.

Over 25% of adolescents & teens have been bullied repeatedly through their cell phones or the Internet.

160,000

160,000 students stay home from school every day because they fear being bullied.

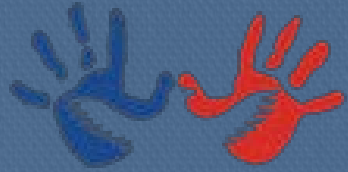

Specifically, Florida ranks:

4th

in confirmed cases of child abuse in the United States.

3rd

in the number of calls to the National Human Trafficking Hotline.

How Do These Statistics Make You Feel?

1. “It won’t happen to me or my children.”
1. “It HAS happened to me or to someone I know.”
