

Individual Grant Application

1. Introduction

The purpose of this program is to provide the ability for club members to obtain individual grants to fund projects for organizations they want to support in their local community. The grants will be funded by club dues and club fundraising activities. The total budget for individual grants will be decided by the Board based on the Club's budget each Rotary fiscal year. Grant amounts will be awarded up to \$500 (amount subject to change based on available funds, board approval, and other conditions.) All club members that want to apply for a grant shall fill out the following information and present the form and a summary of their grant to the Club Secretary.

Please contact the Club President with any questions.
