

Welcome to the Rotary Club of Fleming Island

Thank you for your interest in the Rotary Club of Fleming Island. We look forward to getting to know you and hope you will consider joining our Club!

Rotary is a worldwide organization of business and professional leaders that provides humanitarian service and encourages high ethical standards in all vocations. Our motto is “Service above self.” Rotarians are also guided by a four-way test, first developed by Rotarian and entrepreneur Herbert J. Taylor during the Great Depression as a set of guidelines for restoring faltering businesses and adopted as the standard of ethics by Rotary in 1942:

- Is it the truth?
- Is it fair to all concerned?
- Will it build goodwill and better friendships?
- Will it be beneficial to all concerned?
