

Finish Strong

We're halfway through the Rotary year, and the finish line is getting closer. Every district started the year strongly, but all fell off a bit in the past few months - even before Omicron.

To help each club refocus and **Grow More to Do More**, our Zone has created a membership competition. (See attached flyer.)

THE COMPETITION/CHALLENGE

If you do the stuff that helps grow a club, you get points:

- 1 point for each new visitor
- 5 points for each new member induction
- 5 points for a Member Retention Program
- 10 points for each Rotary Social Recruiting Event
- 20 extra points for doing all four of the above

The more your club does, the greater chance it has to win recognition (and grow its impact). The details are in the flyer.

Most experts estimate Omicron will make a large but quick tour through our communities over the next couple of months. We need to position our clubs for growth, now!

The time is right.

Our communities need a way to help after all the disruption... People need a place to find connection after isolation...

We all need new and interesting people to keep our clubs thriving.
