Grow Your Impact

Why is Membership Rotary’s #1 goal? Because growing your club increases the two biggest benefits that members receive from Rotary - networking with great people and serving others. When you Grow More, you Do More for your members and your community.

What’s the fastest way to grow your club? Start a companion (satellite) club. Your club creates a different meeting time & format, and you attract a greater variety of interesting people from your community, with more hands to do service. See how 3 clubs have grown their impact significantly at this month’s MAP webinar:

- “Companion Clubs—The easiest way to grow.”
- March 13, 6 PM (Eastern Time)

You can, 1) register for the MAP webinars, 2) find resources, and 3) listen to prior webinar recordings at the link, below:

The next Membership Action Plan (MAP) Webinar is this Monday evening at 6pm. It's a can't miss event for this group! The Webinar is titled Innovative Clubs - The Easiest Way to Grow, so it's right in our sweet spot. You can register for the MAP Webinar
