CONNECTING ROTARY AND OUR COMMUNITY

On November 16, 2020 Rotary Club of Casselberry celebrated our 45th anniversary. Rotary has seven areas of focus and we decided to spotlight protecting our environment for our celebration. Our club hosted a free tree giveaway to help fight climate change. Also, we were honored by Mayor Henson of the City of Casselberry to receive a proclamation to acknowledge our “unwavering dedicated service in the community”. Our club is ready for another 45 years of service!

OUR STORY THIS QUARTER

October 24th is World Polio Day. Rotary has been working for over 35 years to help eradicate polio. Today Polio only remains in Afghanistan and Pakistan. Our club decided to do an online Zoom Bingo game fundraiser. We sold bingo cards to our members and met online for some fellowship and fun. There were even prizes for those who won! You can help the fight by donating to www.endpolio.org/donate

Christian Help Blessings 2020

In October, our club volunteered to wrap toy collection boxes to be dispersed to local businesses. Christian Help's program ensures children of moms and dads struggling to make ends meet still have a Christmas through these donations. Last year, Christian Help distributed 2,200 toys to hundreds of children. Rotary Club of Casselberry is proud to be a part of this.

Center for Independent Living

Partnering with our longtime friends at Center Independent Living, this month we helped prepare twenty care packages. These bags were to be distributed to some of their homebound clients. With the current pandemic situation, these were a welcome unexpected surprise for their clients.

Partners in Democracy

Once again, our club partnered with the Seminole County Supervisor of Elections to help receive and inventory polling place contents. Our teams of three collect items from about 20 precincts in our local area and have the poll workers sign off on the secured transfer. The Rotary Club of Casselberry is honored to be a part of the election process in Seminole County.

COALITION FOR THE HOMELESS PRESCHOOL

In December, our club sponsored stockings for 19 preschoolers in the shelter. Homeless children are more likely to struggle with delayed development and have learning disabilities. We were excited to do our part by including books and goodies in our stockings to help those children.
