

## What We Do

Rotary is an organization of business and professional leaders united worldwide who provide humanitarian service, encourage high ethical standards in all vocations, and help build goodwill and peace in the world. In more than 160 countries, nearly 1.22 million Rotarians belong to more than 34,500 Rotary clubs.

Since 1922, Rotary Club of Fort Lauderdale has represented a cross-section of the community's business and professional men and women. We are nonpolitical, nonreligious, and open to all cultures, races, and creeds.

The main objective of Rotary is service — in the community, in the workplace, and throughout the world. Rotarians develop community service projects that address many of today's most critical issues, such as children at risk, poverty and hunger, the environment, illiteracy, and violence.
